DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on August 19, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s). The terminal disclaimers filed on August 19, 2008 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US application numbers 11/686,169, 12/048,961 and 11/774,985 have been reviewed and are NOT accepted. The person who signed the terminal disclaimers is not recognized as an officer of the assignee, and he/she has not been established as being authorized to act on behalf of the assignee in the instant application. See MPEP § 324. Particularly, the statements under 37 CFR 3.73(b) provided by applicant do not reference the instant application; thus, the terminal disclaimers provided by applicant were disapproved by the USPTO. Accordingly, applicant has not provided a complete response to the double patenting rejections set forth in the Office action of May 19, 2008. In response to this communication, applicant should provide an acceptable statement under 37 CFR 3.73(b). See 37 CFR 1.111.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Diana B. Johannsen whose telephone number is 571/272-0744. The examiner can normally be reached on Monday and Thursday, 7:30 am-4:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ram Shukla can be reached at 571/272-0735. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.

/Diana B. Johannsen/
